Let us learn

The Right Place

Ma, the elephants have short legs with five toes but, why do I have long legs with two toes?

My child, we live in the desert. The desert has a lot of sand and rocks. Our legs help us to walk in the loose desert sand. Our toes protect us from the hot sand.

Note to the teacher: Read the story to the children. Encourage them to know the features of the camel's body and the desert.
