III. Answer the following questions in a few words.

1. What are the effects of open defecation?
2. Write the benefits of bathing.
3. List out the types of touches.
4. Who are the persons in your safe circle?
5. Name the sensory organs of our body.

IV. Arrange in correct order. (First and last steps are in correct sequence)

1. Wet your hands and apply enough soap.
2. Rub the tips of your finger.
3. Rub both hands by interlocking your fingers.
4. Rub the back of each hand.
5. Rub the palm together.
6. Rub the back of each fingers.
7. Rub the thumb and end of your wrist and rinse both hand with water.

V. Answer the following questions.

1. When do we wash our hands?
2. What will you do when somebody who are not in your 'safe circle' touches you?
3. How can we protect our skin?
4. How do we get intestinal worms?
5. How do you help differently-abled people?

VI. Project work.

Collect proverbs related to self-hygiene, health and sanitation.
