Let us Taste - Varieties of Idlies

In order to attract the children and customers, caterers make varieties of idli by mixing the batter with grated beetroot or grated carrot and serve them as beetroot idli or carrot idli.

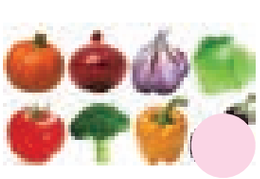

Let us think

The doctor advices patients to have idli or idiyappam. Can you guess why?

Tick (✓) the item which you see in your kitchen.

Tick (✓) the food items which are made by steaming.
