LET US KNOW

The Supreme Court is the Guardian of the Constitution.

Mother: Samudra, Do you have any wish? What would you like to do in your life?

Samudra: Yes, I have a wish. I want to study well and seek a good job. At the same time, I would like to look after our garden and field with care.

Mother: At last we have reached our home. Dear.... please open the door.

Glossary

Enlightens : educate
Guardian : protector
Protect : save

Recap

- Our friends like teacher, doctor, engineer, police are working for us.
- Firefighters save people and properties from fire.
- A civil engineer gives structure to the building.
- The roads are laid by road workers.
- We are getting food from farmers.
- Soldiers protect our country.
- We should be proud of the people who served for us and also for our country.
