Think

When International Tiger Day is celebrated?

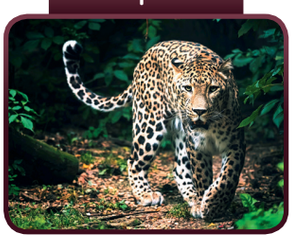

Anu: Grandpa, you know I love elephants. Is there any sanctuary that protects Elephants?

Grandfather: Yes, **The Nilgiri Biosphere Reserve** not only has elephants but also has Indian leopard, Black panther and Nilgiri tahr.

Leopard

Nilgiri tahr

Black panther

Anu: Grandpa, you said biosphere reserves also protect plants. What kinds of plants can be found here?

Grandfather: There are different species of flowering plants. One among them is Kurinchi flower which blossoms only once in twelve years.

Kurinchi flowers

Anu: It must be so beautiful.
